RESPONSE TO RESTRICTION REQUIREMENT

Sir:

In response to the Restriction Requirement dated February 2, 2005,
Applicant hereby provisionally elects to prosecute the Group II claims, namely Claims 27
to 36. The Restriction Requirement is, however, traversed.

Traversal is on the ground that there would not be undue burden in
examining both groups of claims in a single application. In particular, MPEP § 808 makes
it clear that in order to require restriction between independent or distinct inventions,

require examination in different applications. For example, the subject matter of Claim 1, although phrased slightly differently, is very similar to the subject matter of Claim 29. Thus, it is believed that there would not be an undue burden on the Examiner to examine all of the claims of Groups I and II in a single application since it is believed that a search of art relevant to one group would necessarily encompass the other.

In view of the foregoing, reconsideration and withdrawal of the restriction requirement are respectfully requested, and an action on the merits for all pending claims is respectfully solicited.

Applicant's undersigned attorney may be reached in our Costa Mesa, California office by telephone at (714) 540-8700. All correspondence should continue to be directed to our address given below.

Respectfully submitted,
